Consolidate Appeals

Date of Amended Order: 8/4/21

Trial Court Case Nos. **3PA-20-00594/595/596/597/598CI**

Today, Richard Green filed additional points on appeal, a 7/13/21 order granting motion to dismiss and denying Mr. Green's amended petition for domestic violence protective order, and a 7/27/21 order denying reconsideration. These orders are final appealable orders under Appellate Rule 202(a); however, these orders are separate from Mr. Green's ongoing appeal in supreme court case No. S-18080, Mr. Green's appeal of the superior court's denial of his request for long-term domestic violence protective order against his wife on behalf of his children. To seek review of the 7/13/21 and 7/27/21 orders, Mr. Green would have to file a separate new appeal.

IT IS ORDERED:

1. Mr. Green's 8/4/21 filings are accepted as a new appeal of the order denying his petition for domestic violence protective order against his wife on his own behalf, and the appeal has been given supreme court case No. S-18149.
2. Mr. Green will not be required to file the accompanying documents for a notice of appeal required by Appellate Rule 204(b).
3. Mr. Green's appeals in supreme court case Nos. S-18080 and S-18149 are **CONSOLIDATED** for the purpose of briefing, oral argument and consideration.
4. The Appellate Court Record Office (ACRO) is directed to supplement the record on appeal with any remaining trial court records in superior court case Nos. 3PA-20-594/595/596/597/598CI.
5. Mr. Green's opening brief due date of 8/17/21 is hereby **VACATED** and briefing is **STAYED** pending the supplementation of the record on appeal. Once the supplemental record has been received and distributed to the parties, a new appellant's opening brief notice will be issued.
6. The parties are directed to use the case caption in this **amended order** on all future filings in this matter.
